

IT'S TIME TO JOIN THE FUN!

WELCOME TO THE SPRINGFIELD CATHOLIC BAND PROGRAM!

Band Instrument Night

Wednesday, August 22nd, 5:00-7:00PM

Palen Music Center

Palen Music Center is located at 1560 E. Raynell Place just across the street from the Battlefield Mall. You will meet the band director, visit with the friendly Palen Music Center staff and have all of your questions answered. We will have all of the director-recommended instruments, books, and supplies on hand and are eager to help.

If you can't make the meeting, you can still rent your instrument by going to palenmusic.com. Click Rent Online, choose Springfield Catholic as your school, and the custom book, accessories, and instrument options will be there. We even deliver to the band room for no additional charge.

Why get your instrument from Palen Music Center?

We have the most family-friendly rental plan, a wide variety of instruments and accessories, and expert repair! The staff at Palen Music Center includes over twenty former music educators that work with your director to make sure we provide exactly what they request. We even make weekly visits to the classrooms throughout the school year. Our mission is to help kids grow and succeed through involvement in music. We are here to help!

How does the rental program work?

Our rental program is simply month-to-month and what you are paying goes toward the purchase price. The plan is 100% interest free, has no required deposits, no long-term commitment and no hidden fees.

How much does it cost per month?

We offer both new and lightly used instruments. Monthly rental prices for most flute, clarinet, trumpet, and trombones are between \$27.95 and \$36.95. Percussion instruments are less expensive and saxophones are more expensive. Additional maintenance and replacement coverage can be added for a small fee.
